Hello to all of you!

Summer is finally here! I hope that all of you had a good spring and have made sure to get your gardens planted. I always plant tomatoes...lots of tomatoes!

I saw many of you during Black Dirt Days weekend here in Conrad. It was fun for all and I hope you enjoyed yourselves if you were able to attend.

Excitement is building for our trip to Vermont this fall. Burdell Hensley, our Oskaloosa area Connections Club coordinator, has planned a fantastic October motor coach tour to New England. Stops are planned at many interesting locations along the way - including Niagara Falls, New York. Don't miss this one if you would like to see the glorious New

England fall color! Call for pricing and a detailed itinerary.

I hope that you can join us for a day trip, extended trip or a local event. I always enjoy spending time with you and I hope to see you soon!
